MEDIA RELEASE

On-Site Jail Video Visitation to Resume

Effective Monday, May 3, 2021, the Lake County Jail will resume normal on-site visitation. Sufficient space will be left between visiting stations to ensure proper social distancing is adhered to. Hand sanitizer and cleaning supplies will be available to those entering to visit with an inmate. Face coverings are required at all times when entering the facility.

Due to the reduced number of stations available to ensure proper social distancing, wait times to utilize a machine on-site could be longer than normal.

Off-site video visitation also remains available, for a fee, as an option for anyone who does not wish to utilize the on-site visitation stations. Anyone wishing to conduct off-site video visitation should visit:
